

REDFYRE COOKERS INSTALLATION, WARRANTY AND SERVICING

Installation

We strongly recommend that you have a site survey carried out prior to installation and that a suitably qualified person undertakes both this and the fitting.

Engineers must be **CORGI** registered in the case of gas-fired range cookers and **OFTEC** registered in the case of oil-fired range cookers.

Your Redfyre retailer will be able to arrange for all of this work to be carried out for you, and in addition, provide any further advice or assistance that you may require.

Guarantee

Your Redfyre cooker is comprehensively guaranteed for a period of two years from the date of commission provided servicing is carried out at the recommended intervals.

Servicing

Oil version: every six months

Gas version: annually
